Scholarship Opportunity

The First Baptist Church, Huntersville (FBC-H) has been generously endowed by church members who have, through gifts and memorials, established a scholarship fund that provides financial resources to be awarded each year to full-time student(s) accepted to a postsecondary institution (college, university, technical community college). Preference will be given to students attending a North Carolina Baptist institution. The value of the scholarship will vary according to the returns on the invested funds and the number of qualified applicants. Qualifications for the scholarship include:

1. Applicant must be a member or child of a member of FBC-H.
2. The applicant shall have a definite need for financial assistance.
3. Applicant exhibits high moral character, dedication to family, church, and community.

Please submit your application to churchoffice@fbc-h.org by March 21, 2025.

Application Procedure

1. Applications will become available around the beginning of the year. Applications may be downloaded from the church website and completed using Microsoft Word.
2. Completed applications in Microsoft Word format, current school transcript(s), a letter of recommendation from a teacher/administrator or college professor, photo and college acceptance letter must be returned to the FBC-H Church office by no later than March 21st 2025. The college acceptance letter must be provided prior to awarding of scholarship if it's not available at the time of the application. Please check with the church office to verify that your application has been received. Additional paper may be used if more room is needed for any responses. It is most important that your responses are detailed and complete to help the Stewardship Team know you better. Any questions should be directed to the Stewardship Team chairperson.
3. After reviewing all applications, the Stewardship Team will notify all applicants by phone or email of their scholarship award status. The scholarship recipient(s) will be invited to the presentation of awards during the spring Family Forum.
4. This application is for one academic school year; however, a student may reapply in the following years if qualifications are met.
